

WARNING

Latex gloves are used in this facility.

Repeated contact with latex may cause a latex allergy or may worsen a present latex allergy.

Reactions to latex may include:

- **skin rashes**
- **hives**
- **asthma**
- **nasal, eye, or sinus symptoms**
- **allergic shock (anaphylactic shock)**

If you or your family are having these symptoms, call you health care provider (your doctor, nurse, or dentist) immediately.
